

OPEN-AIR GROUNDS EAST

The Open-Air Grounds East boast an excellent location between the Conference Center East and Halls A6, A7, B4 and B5. These halls and the Foyer East can be effectively combined with the open-air grounds. This provides unlimited scope for organisers of conventions, events, motor vehicle and machinery presentations and much, much more.

Can be optimally combined with Foyer East or Convention Center East.

Suitable for vehicle presentations or small demonstrations, for example.
